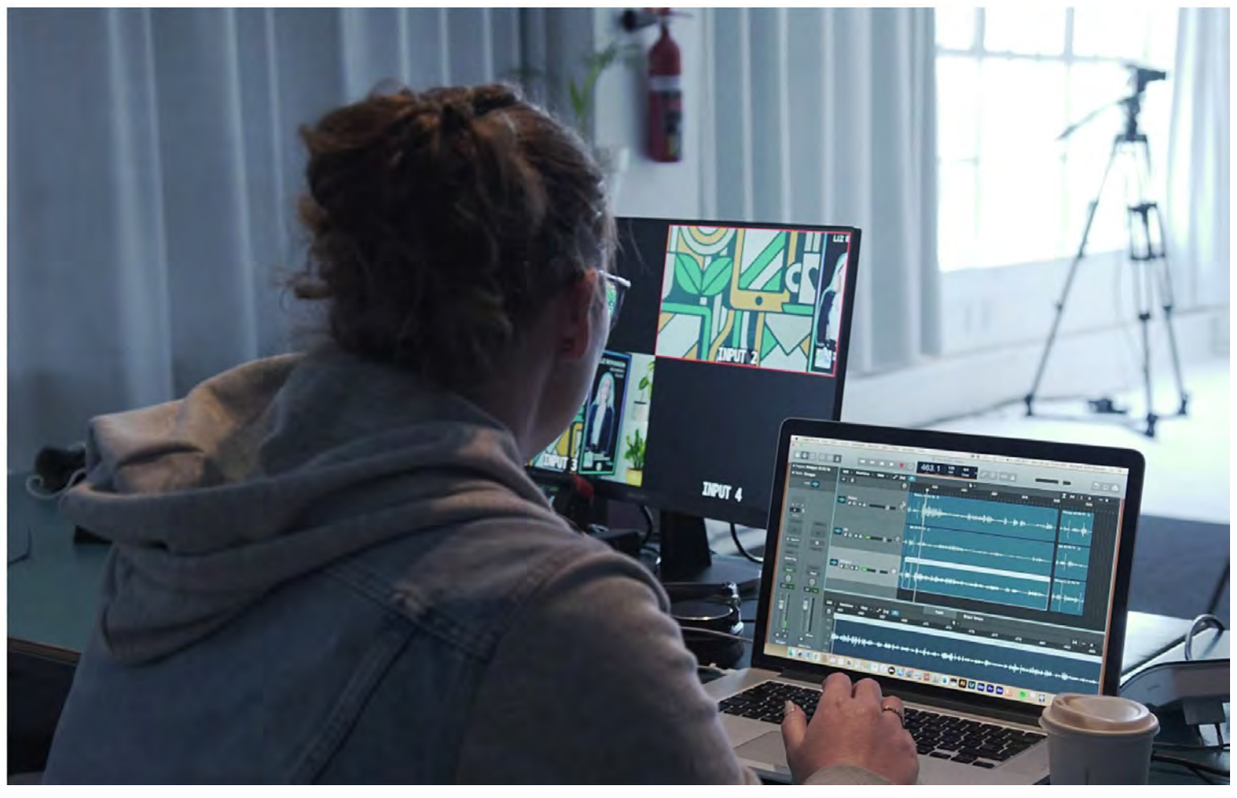
2025 RATE CARD

TRULIFE MEDIA HOUSE

Trulife Media House is a bespoke studio that offers **pre to post production solutions** for all your creative media needs. We have access to a full **infinity curve studio** available to hire along with a range of gear and assistants - perfect for your shoot - from product photography, head-shots to creative expressions you will find a home here.



Trulife Media House offers a wide array of media services for clients around the world. These include **Filming, Editing, 2D & 3D animation, podcasting as well as audio production**. All profits generated by media house goes to Trulife - a NPO that works into schools around South Africa that inspires students to make brave choices that inspire them to better futures.
